Pete BATE:

Breckland works better with Green Councillors

### About me:

I have lived in Ovington since 1996. I have been a member of the Green Party for many years and recently a representative on Ovington Parish Council.

I was a in the Royal Navy for 13 years, and then a teacher and I now work for the NHS.

### Why I want to be your councillor:

In Breckland, with a large majority of one political party, it is essential to have a considered and thoughtful alternative voice to offer diverse solutions and robust decisions.

### Repeated Breckland problems need different solutions

There are two seats in the ‘Saham Toney’ District Council ward, which includes Carbrooke, Bradenham, Scoulton and Ovington.

You may choose up to two people to represent you, **please use one of your votes for me.**
